Message from the Chairman

Dear Members of Ingwelala

FLOODING AT INGWELALA

What a way to start the New Year! As I am sure you are all aware, unprecedented rain and flooding has over the last few days seriously affected Ingwelala and its environs. Numerous pictures and reports emanating from the entire region indicate that the tropical storm has caused significant damage to infrastructure and services in the greater Hoedspruit and Timbavati region.

Clearly, at this present time, of great concern to all of us as Members is how badly Ingwelala and our Bungalows have been affected. Now that the flooding has abated, John Llewellyn and his team are focused on re-establishing all the essential services in the Camp Area and communication channels so that those living at Ingwelala can get back to normal as soon as is possible. The South African Air Force is kindly providing a helicopter service for essential evacuations. The state of Bungalows will be assessed in due course once road access is available throughout the camp area and the immediate priorities have been dealt with.

There is currently no road access to or from Ingwelala and it is not clear when this will be resolved.

I would like to appeal to all Ingwelala Members not to trouble the Staff at Ingwelala for the next few days so that they can focus on their immediate priorities. Similarly, as there is currently no access to Ingwelala other than by air, please do not attempt to go to the Reserve until a general communication advises that this is possible. A comprehensive report will be circulated to Members once the Management Team and Board have had the opportunity to assess the situation. In the meantime, regular updates will be posted on the Ingwelala Website and circulated to share block administrative officers.

Your co-operation and understanding will be greatly appreciated.

Sincerely

Kevin Alborough
Chairman
