20 June 2018

Dear Ingwelala Members,

The Ingwelala Board of Directors met last evening, 19 June 2018 and are pleased to announce the following appointments; Mr Andrew Hauptfleisch has been appointed Chairman, and Mr Christopher Gregory as new Director Appointee.

The Board remains committed in seeking closure regarding the identification of the lion subsequent to the recent legal lion hunt which took place within the Umbabat. The Board has assigned a dedicated team, both within the Board structures and externally, to consult and investigate with the relevant stakeholders within the structures of the Umbabat, regarding the identification of the lion.

The Ingwelala Board stand united with all members and will continue to monitor and inquire and endeavour to strive for legal, sustainable and ethical hunting and conservation methods within the Umbabat. Ingwelala Share Block operates within an official framework of protocols and structures, and in order for the APNR to survive and thrive for future generations, stakeholder engagement and approach needs to be sensible and mature.

It is the Boards intention to communicate progress on this matter and we ask your patience in this very delicate time for all of us.

Ingwelala members are requested direct their questions to the management and board of Ingwelala at board@ingwelala.co.za.

Yours sincerely,
Andrew Hauptfleisch
